

UConn School of Nursing

CEIN/BS Accelerated-Second Degree Program Campuses: Storrs*Waterbury*Stamford*Avery Point

Approved by: Connecticut Department of Higher Education
Connecticut State Board of Nursing Examiners

The pre-licensure CEIN/BS Accelerated-Second Degree program consists of 45 credits of theory, clinical and related didactic experiences (outlined below). This program is designed to be completed within 12 months of full-time study. The program features population, problem-based teaching and learning and includes components of history, culture, clinical science, nursing science, independent-dependent-interdependent nursing actions, disease science, and health care finance. Upon successful completion of the pre-licensure sequence, students will be qualified to take the RN-NCLEX exam.
